VILLAGE & COMMUNITY Agents

The Village & Community Agent scheme is working with the 3 Counties Cancer Network to support any patient, carer or family member in Gloucestershire who is over the age of 18 and affected by cancer. A group of specialist Village & Community Agents has been trained to work on this countywide project which is funded by Macmillan Cancer Support.

Specialist Village & Community Agents

A group of specialist Village & Community Agents has received additional training to work with people affected by cancer. The specialist agents work countywide and can support people over the age of 18 at any stage from diagnosis onwards. They can help with access to information and support on a range of topics including:

- Employment
- Finance (*Pension, benefits, grants*)
- Social Care
- Health & Wellbeing
- Complementary Therapies
- Transport
- Childcare
(*Information about local services*)
- Daily Living Support
(*Shopping, gardening, pet care*)
- Travel Insurance
- Information & Support

What can people affected by cancer expect?

- To be put in touch with the right people to help in a wide range of areas including health, finance and social care
- To help ensure people are receiving the financial support they are entitled to
- To provide access to services to help people stay as independent as possible
